

Professional Documentation

All physicians, CRNA's, NP's, PA's and dentists need to submit a **NOTARIZED COPY** of their professional credentials, including their license AND diploma from highest level of learning. Please follow the steps below meticulously and provide this information to Rick as soon as possible once you have registered.

1. Make a copy of:
 - Current License with expiration date after the end of the mission trip date (Medical, Dental, etc.) and
 - Medical/Dental/NP/PA or PT school Diploma **AND** highest level of board certification. (If your diploma is framed, simply take a photo of the actual document while trying not to include the frame and then print a copy of that photo.)
2. Handwrite a note saying: "This is a copy of the original." And sign below that sentence.
3. Have both the copies of the diplomas and license notarized
4. Dentists must also provide a copy of their passport, but it does not have to be notarized.

We need this info a MINIMUM of two months in advance to initiate the process for licensure approval.

Please 1. Fax or email this info to Rick Harper at HTIRick@aol.com or 501-268-8144, **AND**

2. Also mail the original notarized copies as soon as you can after registering and receiving this information packet. Your promptness in doing so will help assure a smooth approval process in Guatemala. **(Mail to Health Talents International, PO Box 8303, Searcy, AR 72145)**
